**The Spot Trophy** - A bronzed likeness of Spot on a wooden pedestal, established by Michele Ritter and Chet Jezierski, is awarded annually to the top Bearded Collie in conformation. The trophy lists in chronological order the name of each dog to achieve the ranking of top Bearded Collie for each year from the time that the breed was first recognized by the AKC (1977).

**The Brigadoon Award** – A champagne bucket mounted on a walnut base, offered by Penny Hanigan, is awarded annually to recognize the Bearded Collie that accumulates the most breed points during the awards year. The trophy lists in chronological order the names of all Bearded Collies to achieve the top ranking in breed points for each year from the time the breed was recognized by the AKC (1977).

*[Historical note: Prior to 1996, when the Spot Trophy was first presented for the #1 All Breed Dog, there was only one dog honored each year as the #1 Bearded Collie overall by the BCCA. The Pedigree Award winner served as the #1 Bearded Collie in breed points. Later the Brigadoon Trophy was introduced as a club award for the #1 Bearded Collie in breed points.]*
