

**Great Lakes Regional Specialty  
Sweepstakes – Rosemary Schroeder (Hyatt)**

Thank you so much for allowing me to judge sweepstakes at your Specialty on July 7, 2006. I had a terrific time and was well-pleased with the Beardies that I had the privilege of judging. Overall the quality was very good, and with few exceptions I was very pleased to see nice temperaments on all the dogs. I do not like a dog to shy away or to act nervous in the ring. I feel temperament is extremely important, and I certainly consider it in my overall evaluation of the dog.
